

International scientific conference on sports medicine

**«Actual Problems of Sports Medicine»
4-5 December 2019**

International scientific conference on sports medicine «Actual problems of sports medicine» will be held in the capital of Ukraine Kyiv and hosted by the National University of Ukraine on Physical Education and Sport on December 4-5, 2019. The Conference is dedicated to the actual problems of sports medicine - problems of cardiovascular prevention and rehabilitation in sport, problems of overtraining in sport, chronic fatigue syndrome in sport, and prevention of sports injuries.

The main organizers of this Conference are the Ministry of Ukraine on Education and Science, the Ministry of Ukraine on Culture, Youth and Sport, the National Olympic Committee of Ukraine, the National Academy of Pedagogical Sciences and the National University of Ukraine on Physical Education and Sport.

The purpose of the conference is the exchange of scientific experience between leading foreign and domestic scientists, professional improvement of doctors on sports medicine, coaches and athletes. Workshops for directions are planned.

The Conference will be of great value for the professional improvement of sports physicians, coaches and athletes. Leading foreign and national speakers will take part in this international conference.

Areas of the Conference:

- overtraining syndrome in sports;
- chronic physical strain on the athlete's body;
- sports injuries and their prevention;
- physical therapy.

Organizing Committee of the Conference:

Borysova Olha, Futornyi Serhii, Shakhlina Larisa, Shynkaruk Oksana, Lazareva Olena.

National University of Ukraine on Physical Education and Sport.
